

COM TROBAR CONVOCATÒRIES AL PORTAL *FUNDING & TENDER OPPORTUNITIES*

El portal *Funding & Tender Opportunities* és el punt d'entrada per a participants i experts en programes i ofertes de finançament gestionats per la Comissió Europea i altres organismes de la Unió Europea.

S'hi pot accedir a través de l'enllaç: <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/home>

Per buscar **convocatòries**, cal prémer sobre el menú "SEARCH FUNDING & TENDERS" de la part superior esquerra de la pàgina web, i el submenú amb el mateix nom:

La pàgina següent mostra per defecte totes les convocatòries tancades, obertes o pendents d'obrir (*closed, open, forthcoming*) però el menú esquerre permet marcar o desmarcar les diferents opcions, per eliminar les categories no desitjades:

Així mateix, el menú de la franja esquerra permet també filtrar els resultats de convocatòries per **programes**, entre els quals:

- Horizon 2020
- Erasmus+
- 3rd Health Programme (3HP)
- Asylum, Migration and Integration Fund (AMIF)

- Consumer Programme (CP)
- Creative Europe (CREA)
- EMFF
- EUAID
- Europe for Citizens (EFC)
- European Defence Industrial Development Programme (EDIDP)
- HERCULE III
- IMCAP
- Internal Security Fund Borders and Visa (ISFB)
- Internal Security Fund Police (ISFP)
- Intra-Africa Academic Mobility Scheme (PANAF)
- Justice Programme (JUST)
- Pilot Projects and Preparatory Actions (PPPA)
- Programme for the Competitiveness of Enterprises and small and medium-sized enterprises (COSME)
- Programme for the Environment and Climate Action (LIFE)
- Promotion of Agricultural Products (AGRIP)
- Research Fund for Coal & Steel (RFCS)
- Rights, Equality and Citizenship Programme (REC)
- Union Civil Protection Mechanism (UCPM)

Un cop seleccionat el programa, es pot optar per visualitzar només convocatòries específiques. En el cas del programa marc H2020, a més, atesa la seva envergadura, es pot filtrar per parts (ciència excel·lent, lideratge industrial, tecnologies de la informació i la comunicació, nanotecnologia, etc.).

The screenshot shows a search interface for funding and tenders. On the left, there is a search bar with the placeholder 'Type your Keywords' and a magnifying glass icon. Below the search bar, there are two checkboxes: 'Match whole words only' (unchecked) and 'GRANTS' (checked). There is also a 'TENDERS' checkbox which is unchecked. Below these are two filter sections: 'Filter by submission status' with three buttons: 'FORTHCOMING' (with a checkmark), 'OPEN' (with a checkmark), and 'CLOSED' (with a checkmark); and 'Filter by programme (only for grants)' with a dropdown menu showing 'H2020'. Below that is another filter section: 'Filter by programme part' with a dropdown menu showing 'Select a Programme part...'. On the right, the main content area is titled 'Funding and tenders' and shows '3779 results'. There is a 'Sort by:' label. Below the title, there are two icons: a calendar and a RSS feed, with the text 'Download all funding and tender opportunities to your calendar or subscri...'. Below this, there is a link 'See all calls for tenders published by EC'. The main content area displays two search results. The first result is a 'Grant' titled 'Novel marine derived biomolecules and indus' with 'Types of action: Research and Innovation action | Programme: Horizon 2020' and a 'Closed' status. The second result is a 'Grant' titled 'Enhancing the industrial exploitation potential' with 'Types of action: Innovation action | Programme: Horizon 2020'.

Arribats a la relació de convocatòries (tancades, obertes o pendents d'obrir, segons s'hagi filtrat en el primer pas), es pot prémer sobre cadascuna d'elles, per accedir a la informació detallada de les mateixes:

The screenshot displays the 'Funding and tenders' search results page. On the left, there are filters for submission status (FORTHCOMING, OPEN, CLOSED), programme (H2020), programme part (Health, demographic change and wellbeing), focus area, cross-cutting priority, and call. The main content area shows 35 results, with the first four visible. Each result includes a 'Grant' icon, the title, call ID, action types, opening date, and deadline.
