

Esade Business School –Ramon Llull University has opened the selection process for the coverage of 1 position to support research, as a

Postdoctoral researcher

on a project entitled “Sustainability and Productivity along the Supply Chain”.

The successful candidate will work closely together with the Principal Investigators, Dr. Carolina Villegas (<https://www.esade.edu/faculty/carolina.villegas>) and Dr. Vicente J. Bermejo (<https://www.esade.edu/faculty/vicente.bermejo>) and will join a highly active research environment. The post-doctoral research will be part of ESADE Group of Research in Economics and Finance (<https://www.esade.edu/en/faculty-and-research/research/knowledge-units/group-research-economics-finance>).

Project description:

The general objective of the project is to analyze sustainability and productivity effects along the corporate supply chain.

Functions:

The postdoctoral researcher will work together with Dr. Carolina Villegas and Dr. Vicente J. Bermejo, who will provide support and guidance in their tasks. The aim of the position is to produce top publications in economics/finance journals.

The main tasks will include:

- Clean and manage databases that will be used in the project.
- Perform literature review related to the project topics.
- Conduct data analysis and summarize findings by regularly discussing project developments.
- Write research papers on the selected topic.
- Regularly attend the department research seminars and be part of the research community at ESADE.

Profile requirements:

It is essential that the candidate holds a PhD in Business/Economics/Finance, and a thorough knowledge of the research field of financial economics. The candidate must have excellent quantitative analytical skills, including knowledge of advanced statistical software packages (e.g., Stata). Being able to speak Spanish is not essential for the position.

At the moment of recruitment, the candidate must comply with the following requirements:

- Be under 30 years of age
- Be unemployed and registered as a job-seeker on the Catalan Job Service (SOC)*
- Must not have carried out research activities at the Ramon Llull University (URL) in the previous six months.

(* see special note below).

We offer:

The full-time position is based at the Esade's Sant Cugat campus (a short metro ride outside the city of Barcelona, Spain), with an annual salary of €30.000 (gross) for a duration of 24 months. There will be no teaching duties.

The starting date for the position is negotiable but no later than 1st of December 2022.

Selection procedure:

- **Submission of applications:** interested candidates should submit: (i) a curriculum vitae; (ii) a short motivation letter outlining their suitability for this position.
- Please send your applications via email to research@esade.edu

Esade Business School – URL might require proof of the obligatory requirements before formalising the contract, as well as the necessary aspects when they consider that there may be inaccuracies.

- **Deadline:** applications can be sent until 30th October 2022, but applications will be reviewed on a continuous basis.
- **Admission and selection process:** the Vicedanship of Research of Esade Business School – URL is the responsible body for all of the admission and selection process, in accordance with the rules and procedures applicable to the entity.

Ramon Llull University includes in its IV Gender Equality Plan the commitment to promote equality between people and includes measures to guarantee equal treatment and opportunities between genders and eliminate any type of discrimination. The areas affected by this Plan, in accordance with what is regulated by article 46 of LO3/2007, are access to employment, professional classification, promotion and training, remuneration, organization of working time, and the prevention of sexual and gender-based harassment.

This offer is within the Investigo Programme for hiring young job seekers in the realization of research and innovation initiatives, in the framework of the Recovery, Transformation and Resilience Plan in Catalonia, financed by the European Union through the European Next Generation Funds. Official code 100045ID4.
